MEMORANDUM FOR: Deputy Director for Administration
SUBJECT : Discontinued Service Retirement

Jack:

I have reviewed the end-of-year strength projections for the Directorate and do not anticipate at this time any serious problems in being at ceiling on 30 June 1975. I do not plan, therefore, to extend until 31 December 1974 the discontinued service option to personnel within this Directorate. However, I do plan to reassess the situation some time after the first of the year to see if factors have so changed that the extension of the option to 30 June 1975 would be required.
